

Right parts.

Right place.

Right time.

Stay productive with the CLAAS FARMPOINT™  
On Your Farm Parts program.

When you're in the thick of it, the last thing you need is a trip to the dealership for parts. With the CLAAS FARMPOINT On Your Farm Parts program, you have exactly what you need right there in your shop. We'll help you customize your very own selection of critical parts to keep on your farm, and you won't have to worry about interest or payments until December 2026. So rest easy in 2026 — sign up for the CLAAS On Your Farm Parts program by contacting your local CLAAS FARMPOINT Parts Department.

Bunker Hill, IN: **765.867.8570**

Hanson, KY: **270.841.8771**

## About the CLAAS On Your Farm Parts program

- Our parts experts will work with you to build a custom order for your operation
- No payment or interest until December 2026
- Save up to 10%
- Return options available

## On Your Farm Parts program benefits

**Orders of \$5,000 or more qualify for 10% off!** Minimum parts order is \$3,500.

### Machine upgrade credit

- Return credit consideration will be given toward On Your Farm Parts if the supported unit is traded into CLAAS FARMPOINT for a newer CLAAS unit.

**No payment or interest until December 2026 on all On Your Farm Parts program orders!**

### Returns

- 15% restocking fee on all parts returned from On Your Farm Parts orders if they are in new and salable condition at the time of the return.
- Return credit is based on original purchase price.

Only valid for parts purchased from CLAAS FARMPOINT. Parts must be clean; in new, resalable condition; and in original packaging. Credit consideration will be in the amount of original purchase price, to be used toward upgraded OYF kit for new unit or statement credit. Machine upgrade return must be completed within 30 days of new machine delivery.
